

# Northwestern REC

## Permission to Disclose Information to Third Party

If a member's meter is about to be disconnected due to non-payment of electric bills, a third party can be notified. This may be particularly valuable to members who are not full-time area residents, elderly, handicapped persons, or landlord/tenant situations.

This program is voluntary and is free of charge. Please talk to a friend, neighbor, relative, or social agency about having them listed as the third party of your account. This safety measure may prove very valuable later.

Please complete the form and return it with your next bill payment.

**Please complete, sign and return.**
